Re: *In re Symbol Technologies, Inc. Securities Litigation*, No. 05-CV-3923 (DRH)

Dear Judge Hurley and Magistrate Judge Tomlinson:

We represent Defendants in the above-captioned action. Pursuant to Rule 2E of Judge Hurley's Individual Practice Rules, we write to request an extension and an adjournment.

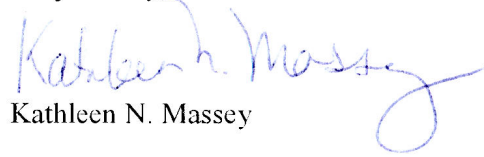

We respectfully request an extension of Defendants' time to answer the Consolidated Amended Class Action Complaint, which was filed on August 30, 2006 (the "Complaint"). Pursuant to Rule 12(a)(4)(A) of the Federal Rules of Civil Procedure, Defendants' answer is currently due by December 19, 2013. Given the passage of time since the Complaint was filed, Defendants seek an extension until February 19, 2014 to file their answer.

Additionally, Defendants respectfully request that the Court adjourn the date of the discovery conference. By Order entered on December 9, 2013, Magistrate Judge Tomlinson scheduled the conference for January 10, 2014. Defendants seek an adjournment of the conference to March 7, 2014, or at such other time as the Court may be available. Defendants request this adjournment to allow time to collect the relevant documents and to evaluate, at least preliminarily, what documents can be produced when.

We have conferred with counsel for Lead Plaintiff, Joshua B. Silverman of Pomerantz Grossman Hufford Dahlstrom & Gross LLP. Mr. Silverman consents to the requested extension and adjournment, subject to Defendants' agreement to make initial disclosures pursuant to Rule 26(a)(1) of the Federal Rules of Civil Procedure by the end of January 2014.

On October 6, 2006, Defendants and Lead Plaintiff previously submitted a joint stipulation setting forth a briefing schedule for Defendants' motion to dismiss. *See* ECF No. 28. That briefing schedule was so ordered by this Court on October 12, 2006. *See* ECF No. 29.

Respectfully,

Kathleen N. Massey
